

# A Healing Hearts Prayer Guide

## Praying for the “Walking Wounded” of Abortion

### 1. Acknowledge Hidden Pain

*“The Lord is near to the brokenhearted and saves the crushed in spirit.” — Psalm 34:18*

Many people who have experienced abortion hide their pain and fear rejection, even within the church. The church should be a safe place where wounded hearts can find truth and mercy.

- Pray for those who carry the secret pain of past abortion decisions — that their hearts would be opened to God’s healing and mercy.
- Ask the Lord to reveal His presence to those living in shame, fear, and isolation.
- Pray for courage for individuals to step out of silence and receive gospel truth.

### 3. Healing for the Wounded

*“He heals the brokenhearted and binds up their wounds.” — Psalm 147:3*

There is a great need for compassionate discipleship that will bring hurting people to true Gospel healing.

- Pray for deep spiritual and emotional healing for women and men affected by abortion — that Jesus would bind their wounds and restore joy.
- Pray that God would send compassionate believers who can share the gospel with humility and love.
- Ask the Holy Spirit to renew minds and bring the peace that surpasses understanding.

### 2. Pray for Grace, Not Condemnation

*“There is therefore now no condemnation for those who are in Christ Jesus.” — Romans 8:1*

Just as Jesus didn’t condemn the woman in John 8, believers are called to minister mercy that leads to repentance and healing.

- Pray that the church would extend grace, not judgment, echoing Christ’s response to the woman in John 8 — *“Neither do I condemn you.”*
- Ask God to help believers speak truth with compassion — truth that leads to repentance and healing.
- Pray for church leaders to cultivate welcoming environments of restoration.

### 4. Community and Support within the Church

*“Bear one another’s burdens, and so fulfill the law of Christ.” — Galatians 6:2*

The church is described as the safest place for wounded people — but often fear of judgment keeps them silent.

- Pray that church communities would recognize and support those in their congregations affected by post-abortion pain.
- Ask for wisdom for pastors and ministry leaders to create ministries of grace and restoration.
- Pray for ongoing discipleship and counseling resources that reflect Christ’s mercy and truth.

## 5. Pray for a Gospel-Centered Response to the Abortion Debate

*"Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person." — Colossians 4:6*

The abortion debate often creates "warring messages" that can hurt wounded individuals; believers are called to minister grace in that crossfire.

- Pray that Christians would respond to the abortion issue with deep grief for lost life and with compassion for the broken.
- Pray for humility and prayerful witness in conversations about abortion, especially amid cultural polarizations.
- Ask God to empower His people to honor life and offer hope through Christ.

## 7. Confession and Release

*"If we confess our sins, He is faithful and just to forgive us our sins." — 1 John 1:9*

- Lead a prayer of confession for personal and collective sin — asking for God's forgiveness and peace.
- Pray for the freedom that comes from confessing sin to the Lord and receiving His mercy.
- Invite participants to pray privately for specific hurts and hurts in their communities.

## 6. Pray for the Fathers of Aborted Children

*"And he will turn the hearts of fathers to their children, and the hearts of children to their fathers..."*

— Malachi 4:6

For every abortion, there is a father. We must not forget the devastating wounds abortion causes to the countless men who often go overlooked.

- Lift up men who have also been affected by abortion decisions — for healing, forgiveness, and restoration.
- Pray that the church would recognize and support male survivors, whose pain is often unseen.
- Pray that God would restore broken identities, helping men understand themselves not through past loss or failure, but through Christ's grace.
