Information about Healing Hearts

MINISTRIES
INTERNATIONAL™

Since 1988, Healing Hearts has served **over 19,000** individuals who have been wounded by their past – by affliction such as sexual abuse, domestic violence, addictions, abortion, rape, and catastrophic loss.

Our discipleship ministry serves **men, women, and youth** in **28 states** and **9 foreign countries**. We can be found in crisis pregnancy centers, sex-trafficking rescue ministries, and in many churches across the country.

Many wounded individuals have completed our study in a small group setting or on-line via our interactive website. The positive impact of the study often extends to other areas of their lives, including **healthier marriages and restored families**.

Our desire is to reach even more hurting people for Jesus, but **we need your help**.

Men and women who have completed the Healing Hearts study are **given new hope**:

“Through my Healing Hearts study, I would apply Scripture to my life and find peace and healing. Thank you for this truly God-given ministry... This has truly changed me and my family’s life.” ♥ Julie

“God shared with me, through the Restoring a Father’s Heart study, that ‘Forgiveness gets me into Heaven. Healing gets me through life.’ As a pastor who has gone through this study, I have no reservations whatsoever recommending this to men or women who have been hurt due to the effects of abortion.” ♥ Pastor Pete

Testimonies like these never leave us because they remind us that **each person is important to God**. The need is great and much work must be accomplished in order to fulfill the vision that God has given us.

You can help us reach out and touch lives that need the hope and healing only Jesus can offer. Please consider supporting one of our Healing Hearts walkers at:
